“ *Daddy, I will miss you so much. You were my everything. MY father and my mother for most of my life. I never thought there would be a day without you in it. But that day has come and I don't know how to handle all of the sorrow I am feeling inside. I know that you are in a better place and that you are in heaven with Danny and Mom now and you are all happy and out of pain and suffering. I will miss you more than you will ever know daddy. I will always miss you laugh and your goofy faces you made.*

Rest In Peace My Dear Sweet Father.

With all my Love, Bone.

“ *Please accept our deepest sympathy on the death of Carlos. We had known him for many years because my husband, Jerry, became friends with him as a fellow trucker and because our children were friends. He was a loving and kind person and always so funny and cheerful. He will be greatly missed. Your family will be in our thoughts and prayers.*
