“ I have fond memories about Carmela back in Mexico when I was probably 15 years old. We will take the maíz to the molino to make the masa for the tortillas and meet mostly everyday. I always enjoyed chatting with her. She was a very charismatic person. After many years we met again here in the USA! One thing I will never forget is her salsa. Carmela made the best salsa and really good tamales. May she rest in peace & she will be missed. 🙏
