“ *She was a sweetheart that loved her family!
When she cared for our Daddy she was
constantly talking about her children and
grandchildren and sharing stories with me.
We all appreciated the kindness she gave to
us. May all of you remember how special you were to her and carry
on her legacy of kindness to each other!
We will miss her dearly!

I couldn't have said it better. Most of my childhood memories involves being with her or talking to her on the phone. She always let me know what she thought, but always supported me when I didn't listen. She loved like nobody else. Love you Aunt "Cotton."
