“ *In my years at Heritage Oaks Carol was my patient several times but she became a friend as well.*

She used to come across the hall in the evenings to color her posters and listen to music and laugh and talk with us while we did our notes.

She and I shared a quirky sense of humor and I will miss her a lot. I visited her one Sunday afternoon a few weeks ago. She was a very special person and looked out for her roommates and nearby residents and was outspoken in getting things done.

She was one of a kind and will be greatly missed.

“ *Carol was such a joy to be around at work. I really admired that she went back to school to become a nurse, after she had worked as an x-ray technologist for so long. She always had a smile for everyone.*

“ I will greatly miss Carol. I remember the time Carol got a new car. That night at work we drove around the parking lot in her new car. It was so much fun and we were amazed because the colors on the dashboard were so bright. My thoughts and prayers will be with your family during your time of sorrow.
