“ *I hope with all my heart she has found the peace that she never could find here. I did love her very much. We just seemed to lost the Claudette we use to know.

“ *She was far too young to have left us and this world behind. For those of us who were blessed enough to have known and loved my Momma never again will our lives be the same. Thank God I have loads of family and friends to see me through this. Momma would want me to keep smiling and keep my chin up. I have to be strong. I will forever grieve for and miss my Momma. I will try my best to carry on without her.*
