“ *Caroline, I am going to miss you so very much. We had so many great times over the years. You were my best friend and partner in crime. We always had a ball no matter what we were doing. From driving to work with no heater, with ice and snow all over and you having to use a towel to wipe the windshield off so I could see where we were going. Working side by side and laughing at everything. Accidentally running out on the bill at omi and our husbands calling acting like the police. LOL. I could go into so many more stories of times we had but you always "understood" me. Especially when i went off on a tangent about us evolving from grass !!! Good times! But we also had some hard ones, but you were always there for me, and you knew I would ALWAYS be there for you no matter what! I love you so much! Tell everybody in heaven we said hi.
Nick, Marc, Courtney, and Rexanna, We love each of yall so much!
Johnny and I are here for you always!
