“ *Peace is finally yours, dear Cuz. Healing for your body, soul, and Spirit. Healing for that cut on your finger when you told me to run over it with a lawn mower and I did when we were small. You're dancing in the presence of Jesus. I so look forward to the radiance I will see on your face when I join you on that appointed day. Just as we sang together in the trio at the church you led me to where I found Jesus at Central Baptist, we can sing a new song together. A song of deliverance and overcoming. In the valley, He restored our souls. Our chains are broken and we soar like eagles. Praise be to our God!!!!*
