“ God created in every person their own special song. If you listen, a song still heard clear and loud. Through the times shared, the memories made, and the love shown, Case's life is celebrated. But, always his memory through the song he lived, carried in one's heart.

“ To the family: I am a cousin of yours that you have not met. I only realized the level of my relation to the Robinsons this summer. When I read about the accident, and then the loss of Case, I was gutted. Our family was heartbroken. May Jesus comfort you during this time. Next time I'm down at the Bonner Cemetery, I will pay my respects to your son's grave. May God bless you all, and again comfort you during this time of loss. Hunter Bonner
