“ In 2004 my Mother & Dad (Buster & Mildred Pritchett) moved to HOW. Catherine was a good friend to my parents. She always talked about her daughter Linda and her Grandson that lived with her.

“ My heart is sadden to hear of the passing of Catherine. I go to know her while I was employed at Heritage Oaks West. I know she will be greatly missed by all who knew her. She was a very pleasant and caring lady.

“ Today I remember all the trips from Dallas to Corsicana with you and Grand pa Schultz and that little chihuahua. I remember when I was six how you both would make me coffee half and half (half Milk/half Coffee) for breakfast, lunch and dinner. I still drink coffee today but not with so much milk. I will miss you both but I know you will both be waiting for me some day. Thank you for always being the perfect lady I will miss you very much.
