“ I just cannot believe you are gone. I did not even get to say goodbye, but sweet friend, you will never be forgotten. Frank and I had so much fun and great times with you and to this day, when I walk out my back door, I look to see if you are sitting on that back porch. We loved you from the first day we met and every time we all went somewhere after that day. You gave so much love to each person you helped and I felt as if we were family. I pray that your children and grandchildren feel your spirit in each year that passes. We Love you CJ. Frank and Jan Middleton (Runaway Bay, Texas)
