“ *To Buz and Sharon*

I understand Buz more now than I ever have before. The unconditional love he had for us, the wisdom he shared and how he liked to make us all laugh. There wasn't a problem he couldn't fix and I am honored to have been a part of his life and will spend the rest of my life honoring his son Chad, who I know Buz is proud of. Thank you Buz for always treating me like your own, for being a great Grandpa to my children, for all the Christmas's, Birthday's, soccer games, and for all the things that I've overlooked and am now thinking about. Thank you Sharon for showing me how a wife is supposed to treat her husband and stand by her man. You both have set an example for your children and I am seeing it all so clear now. Thank you both.

“ Though words now seem inadequate, unable to convey the deep and heartfelt sympathy that goes to you today, still, may this earnest message and the thoughts behind it, too, help to bring some comfort to the family.

Buz came into our lives in September 1969 at the age of 23 years old, fresh out of the Air Force. He rolled into Corsicana in a 1969 Yellow Firebird. Buz was an Okie so he went back to Oklahoma for a short time but in September 1970 came back to Corsicana to live out his life. He made many friends along his way. The best friend he made was with Jesus Christ. Buz was baptized at Westside Baptist Church on October 4, 1970 by Bro. Charles W. Pringle. Buz was not just family back in the days but a dear friend & like a Brother to us and Uncle Buz to our girls. Our daughter Honey loved her Uncle Buz . He is also the father of our nephew Ted (Cecil T. Brown,III) that we love very much. Thanks Buz for the memories!!

God Bless, Sharon & Family?.

Sharon, you are truly a wonderful person. I know that you will be there for your children and grandchildren. They are lucky to have you in their lives. You take care of yourself and call if you need anything.

Please let us know if there is anything you need. We want to help you and we are available any time you need us.

"Lets go, Blane"

"Like I say..."

We will miss Buzz. What a good, positive man.

Sharon, we love you and we are deeply grieved for you. It was lots of fun working the boys baseball games with you. You know how to get things done.

Blane, I lost my Daddy at 34 and thought that was too young. You've already figured most of it out, but Buzz knew the rest. I know you'll miss him.
