“ *It is with a very heavy heart that I find Chad's name in the obituaries. Although I have not seen him in 25 years, he was my best childhood friend and I still have many fond memories. It makes me smile to read in the other tributes that he was still the life of the party and still making people laugh, as I am sure he is already doing in heaven. My sincerest condolences to George, Sissy and Kelly. You are all in my thoughts and prayers.*

“ When I think of Chad, I cannot help but remember the little boy from so many years ago who was such a delightful addition to our family. He was the first baby on our side and our lives revolved around this precious child. He was the light of our lives and brought us all so much joy. I will never forget his sweet spirit and the love he had for his family. May you rest in peace, Chad Michael. Until we meet again!
