“ *Dear Linda,*

Our hearts go out to you and your family. I feel like I have lost a part of my heart. You two have been a special part of us for so long. The first time I met ya'll I fell in love with you both. We have so many wonderful memories that I will cherish forever. Chuck was such a beautiful person. He always had a special smile and hug for me. I know how much you will miss him, but he is in such a better place now. I know he will be looking down on you and keeping his arms around you to help you through the hard days ahead. Brett and I are here for you anytime you need us. You will be in our thoughts and prayers each day.

“ Linda and family we want to extend our sympathy to you at this time in our prayers and the words of this poem.

Sorry we can not be there, we are at our daughters in Ohio.

When Tomorrow Starts Without Me

*When tomorrow starts without me,
And I'm not there to see,
If the sun should rise and find your eyes
All filled with tears for me;*

*I wish so much you wouldn't cry
The way you did today,
While thinking of the many things,
We didn't get to say.*

*I know how much you love me,
As much as I love you,
And each time that you think of me,
I know you'll miss me too;*

*But when tomorrow starts without me,
Please try to understand,
That an angel came and called my name,
And took me by the hand,*

*And said my place was ready,
In heaven far above,
And that I'd have to leave behind
All those I dearly love.*

*But as I turned to walk away,
A tear fell from my eye
For all my life, I'd always thought,
I didn't want to die.*

*I had so much to live for,
So much left yet to do,
It almost seemed impossible
That I was leaving you.*

*I thought of all the yesterdays,
The good ones and the bad,
I thought of all the love we shared,
And all the fun we had.*

*If I could relive yesterday,
Just even for a while,
I'd say good-bye and kiss you
And maybe see you smile.*

*But then I fully realized,
That this could never be,
For emptiness and memories,
Would take the place of me.*

*And when I thought of worldly things,
I might miss come tomorrow,
I thought of you, and when I did,
My heart was filled with sorrow.*

*But when I walked through heaven's gates,
I felt so much at home.
When God looked down and smiled at me,
From His great golden throne,*

*He said, "This is eternity,
And all I've promised you.
Today your life on earth is past,
But here life starts anew.*

*I promise no tomorrow,
But today will always last,*

*And since each day's the same way
There's no longing for the past.*

*You have been so faithful,
So trusting and so true.
Though there were times you did some things
You knew you shouldn't do.*

*But you have been forgiven
And now at last you're free.
So won't you come and take my hand
And share my life with me?"*

*So when tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right here, in your heart.*

“ Our Uncle Chuck (Or Uncle Chuckles to many of us) is going to be greatly missed by this family. If you had the pleasure of meeting Chuck you were truly blessed. He had a wonderful sense of humor, a kind heart and a love for life. You could rely on Uncle Chuck and never be let down because he did not go back on his word. Our whole family loved him (especially my grandparents and my stepdad Bill). There is going to be very big empty void that cannot be filled by his passing. He was my Aunt Linda's best friend and the love of her life.

I know Aunt Linda that you are going to remain strong because you now have a wonderful Guardian Angel watching over and protecting you until you meet again in Heaven. Everyone should be so blessed to have an Uncle like our Uncle Chuckles.

Uncle Chuckles, we love you and will miss you greatly. We will forever remember the gallant way you kissed our hands and made us (nieces) feel special. And we will not forget your twinkling eyes because I know they are shining in the heavens for all to see.

Our love always,

Pam, Weldon and Hanah

“ Linda,
I am so sorry for your loss. You had something in Chuck that I will never have. God gave you two a wonderful gift, that was each other. I have so much respect for the two of you for the love and respect that you showed to each other. I wish I could take your pain away. When I was hurting so much over someone, You put your arms around me and said time will heal all. You were so right. Thank you so much for all the love you showed me. I am thinking of you and love you with all my heart.
