Charles Irving Biltz, MD, passed away at peace on January 23, 2026, at the age of 91.

He was born at Christ Hospital in Cincinnati, Ohio, to Dr. Stuart Goslin Biltz and Erdine Morton Biltz of Fort Thomas, Kentucky. He was preceded in death by his parents and his siblings Nancy Keyler and husband Jim, and Robert Biltz and wife Sue.

Dr. Biltz is survived by his beloved wife of 65 years, Jane Saunders Biltz, his sons Charles Biltz Jr. and wife Tracy, Frederick Biltz and wife Meredith, John Biltz, MD, and wife Susan, and Daniel Biltz and wife Melissa; his grandchildren Christopher Jones and wife Rebecca, Stuart Biltz and wife Jamie, Alexander Biltz, Major, USAF, Gabriel Biltz and wife Alexandra, Briana Biltz, Charles Maxwell Biltz, Celeste Biltz, Caroline Biltz, DO, and husband Terrell Roane, DO, Ross Biltz, and Zachary Biltz; and his great-grandchildren Henry and Hazel Biltz. He is also survived by his brother James Biltz and wife Phyllis, nieces Barbara Berringer, Cindy Law, Robin Wood and Ellyn Biltz, and nephews Bruce Rogers, Jimmy Biltz, Michael Biltz, and Bobby Biltz and their families.

Dr. Biltz graduated from Highlands High School in Fort Thomas, where he proudly still holds a Bluebird track record. He earned his undergraduate

degree from Harvard University in Cambridge, Massachusetts. Dr. Biltz received his medical degree from the University of Cincinnati College of Medicine and completed his residency at the University of Iowa in Iowa City, Iowa.

He served as a Captain in the United States Air Force and was stationed at Carswell Air Force Base in Fort Worth, Texas. Following his military service, he returned to Kentucky for a one-year gastroenterology fellowship, then established his permanent practice in Corsicana, Texas, where he practiced at Medical Arts Clinic for more than 45 years, earning the respect and gratitude of countless patients and colleagues.

Dr. Biltz was deeply committed and engaged in his community and profession. He served as a Vestry member of St. John's Episcopal Church for many terms, was a long-standing member of the Corsicana Independent School District Board holding multiple leadership positions, coached YMCA youth sports, served as CISD Football Team Physician for more than 20 years, and was Chief of Staff at Navarro County Memorial Hospital. He also served as a Clinical Assistant Professor at Southwestern Medical School and as Secretary/Treasurer of the Texas Chapter of the American College of Physicians. He was a member of the Harvard Alumni Association, a committed Democratic Party volunteer, an enthusiastic outdoorsman, and an avid Texas Tech University sports fan.

Dr. Biltz was widely admired for his gracious and kind leadership as he led by example with integrity, patience, and an unwavering sense of fairness. He mentored generations of physicians, students, and community leaders, teaching as much by example as by instruction. He had a gift for offering guidance that was calm and thoughtful and delivered with a perfectly timed quip and a smile. Within his family, he was generous with encouragement, measured and impactful advice, and always ready with quiet wisdom. Whether in the clinic, the boardroom, or around the dinner table, his

leadership style was marked by respect, humility and hallmarked with his endearing and warm sense of humor. When he wasn't attending his children's and grandchildren's sporting events or traveling to a Texas Tech game, you could find him exploring the great outdoors on family trips, welcoming guests, communing with nature, and hosting bluegrass festivals at the Biltz ranch, supporting the Corsicana arts at local theatre events, worshipping at St. John's each week, delivering Food for Fitness, and practicing yoga with his friends at the YMCA. He extended grace and generosity in word and deed to everyone he met. His zest for life and love for his family was unmatched and has left an unceasing impact on those who knew him.

“ Dear Family, the Fondren family is deeply saddened to read of the passing of Dr. Biltz. This is a man, along with his wife, who made an unmeasurable impact on the betterment of life in Corsicana! Almost fifty years ago, Dr. and Mrs. Biltz invited my wife and I, Coach Chris Lambert and his wife to Dallas to dinner at a Chinese restaurant. After the dinner the Biltz's took us to a Dallas Tornado NASL match at SMU. The purpose was to envision the creation of a high school soccer program at C.H.S Well after those near fifty years, this December, Corsicana High hosted an alumni game of nearly forty participants. Some were new graduates of C.H.S. and the oldest Terry Richards. All was under the great leadership of current coach and former player Caleb Coy. This is part of the legacy of Dr. Biltz,

Jane Biltz and that wonderful Englishmen, Gerry Newbury. Many of us are grateful for this legacy as the " beautiful game " has played such large in our family's lives. God Bless and thank you, Dr. and Mrs. Biltz
