“ I am so thankful that I was able to meet you and Chuck recently, spending valuable time with you both. Chuck was a wonderful, caring, sensitive man with an awesome sense of humor. I loved hearing "When I was young and in my prime, I used to do this all the time. But now I'm old and getting gray, and only do this once a day." HE really kept me laughing a lot with all of his little saying....I'll never forget him and how my life was enriched by getting to know him.

Now he is singing in GOD'S choir.

“ I am a truly blessed person to have known Chuck. There was never a day that he was not whistling, singing, and just smiling. He was always ready to share the Lord with anyone who would listen. Everyone knew if Chuck was not at church, because we couldn't hear his cheerfulness. I know he will be missed by many. May the Lord continue to bless you with Chuck's beautiful memories. RIP Chucky Cheese!!!!

“ To Dee and Sandy (Chuck's family that I know best):

What an inspiration you have been to me - - to see the love in your home. Thank you for sharing your memories of Chuck. I can tell he gave you many, many good times and a great legacy.

Though I did not know him long, I saw in Chuck a delightful personality full of faith and joy. I know I missed knowing someone wonderful, but....someday, I will have the privilege of knowing him well, thanks to Jesus!

“ Grandpap,I will mish you so much. I have so many great memories of things we did together. I am so glad that we had all those wonderful times. I wish that I could have spent more time with you in the past few years but you were always in my heart. I know that you are in a much better place and out of pain now.
