“ Kenneth as you know was a wonderful character, he would always come in the office with a smile and a kiss on the cheek. He always brightened my day, no matter how bad he felt. Wanda, I know you will miss him greatly, but always know he is now your ANGEL watching over you.

“ Wanda, Such a fine man and such a loss we feel. I am so happy we got to spend some time with him at the Christmas Party and see him laugh and have a good time. But we know he is laughing with Angels now and walking on those golden streets. We will really have a party when we see him again. We love you with all our hearts.
