“ Big Charles was always such a delight to share time with every week for many years as he came to town and visited the lot. Every visit included a great hug an incredible smile and good conversation. He would always leave us waiting for the next visit to be able to share the good times again. He was a joy to be around and he will be greatly missed by any one who has ever known him. My love and prayers go out to the family as they get through these days. Find joy in remebering all the good times.

“ Im so sorry about your loss, he was a great man and an amazing gentleman to get to see in the mornings at Braum's. I remember he would always order a sausage biscuit and coffee and sit there with his morning buddies for hours. I always knew him as Nelson, he was a "hoot", my little brother loved seeing him in the mornings recently when we go eat there, when I go back home. I know because of my faith in God that he rose up another angel to bring joy, laughfter, and good stories to the table of plenty in His Kingdom. He will be truly missed.
