“ Aunt Charlotte, 🥹 u will be missed, gone but not forgotten. U are flying high with your golden angel wings. I can remember the time when we made plum jelly on a weekend, you, I and my mom made jelly jar after jar of jelly. When my mom passed away you were like a mom to me and if I needed someone to talk to you were there. I even spent the night on weekends and during the summer and we drank coffee and dr. pepper together and talked for hours, we laughed, cried together and even had yard sale together, so many memories that we had. Even though you were my aunt you were like a mom to me as well. The cooking and baking that we did for hours on holidays was amazing. Love you and miss you bunches.
