“ *Jerry, I am so sorry for the loss of your sister. I cannot begin to imagine how you must feel, but I know how devastated I would be if I lost one of my sisters (or brothers-in-law). I hope you know how much I love you. I will be on my way to Brownwood for business, so I won't be able to attend the services, but my heart will be with you. I pray that God will give you comfort and strength.*

“ *Larry, we are so sorry for your loss, our thoughts and prayers will be with you and your family. Before my family moved, I met your wife at Church on several occasions when she came with your Mother, she was a very sweet lady. May God keep you and guide you through this season of your life.*

“ *Larry, I was sadden to hear of the passing of Charlotte. I have tried keeping up with how she has been doing since we had been out there. If you need anything please let us know. She was a neat lady I always liked talking to her the times I got to see her. The good and the not so good times.*

“ Larry Dean I am so sorry to learn of the passing of Charlotte. I have not been in touch with you guys in so long but I always have you and Billy in my prayers.

You must remember that God must have had a special plan and just could not finish it without her. He has his reasons for everything and we must not question them.

You are a very special man and my heart is with you in this most difficult time.
