

## Chastity Richards

September 1, 1973 - December 6, 2023

Chastity Jane Richards was Born on September 01, 1973. She was a wonderful Mother to Matthew Thomas and Justin Ybarra and grandmother to Aria and Averlee Ybarra she left us here on earth on December 06, 2023. Chastity was born in Hawaii and resided in Corsicana Texas for most of her life. She always held a strong faith in God and appreciated every waking day she was given. Chastity had a big heart and a very extended family, there was not a stranger on this earth in her eyes. She always enjoyed a conversation with someone and would take her time for anyone who would give her the time to sit and talk about life. She worked as a caregiver and when she wasn't she would be spending her time with as many of her loved ones as she could. Over the years we have had with her we would all say she was one of the most caring daughters, mothers, and friend that you could ever ask for. She will be greatly missed and her soul will forever be remembered by her many loved ones left behind.
