“ A great person from a great family! We were truly blessed to have known her for as many years as we did. She will be truly missed. She had many long conversations with many of us...giving advise & getting advise, telling a story & hearing a story, having a laugh & having a cry, & just hanging out. She was a great & wonderful friend to us all. Our thoughts & prayers go out to her family. Thank you all for being a part of our extended family....and letting us share in your extraordinary family! We love you! Our condolences to you all...May your sorrow be eventually overtaken by your memories of your joyful times.
