“ *When hearts are filled with sorrow there is little one can say, for only
time can comfort you when a dear one passes away. So may the
time be hastened until sorrow will depart and many wonderful happy
memories will live on within your hearts, and all of those who loved
your mother.
I was blessed to have known her.
My thoughts and prayers are with you during these darkest of hours.*

“*Jaye and Family ,there are really no words that can be spoken to soften the sorrow or lessen the loss that is felt from losing someone close to you. It is so difficult to realize that our loved one will no longer be present physically to share conversations, walks, hugs, or ideas with us.It is my heartfelt prayer that you will receive some personal comfort and strength during this time. God Bless You and Your Family.*
