“ *Chris & Jeremy: Your Mom was the sweetest person that I loved dearly. I remember when you both were small boys and Mike and I would come over when you lived in Pittsburg. We got back in touch on FB and I knew she was sick. I am so sorry for your loss. Cheryl was a special person and will be missed by so many that their lives were touched by her love and kindness. Thinking of you both.*

“ *To Jeremy and family,  
Cheryl loved and was loved. There is a saying that goes something like this; "The loss of a mother can never be replaced, the love of a mother can never be lost. In time, you will feel the tears turn to smiles as you share memories of your mother. Our love and prayers are with you and your family today, tomorrow and always.*

“ *I'll never forget the warmth and support Cheryl and Max gave me as a new contractor for ExxonMobil/Corsicana. I knew no one and very little about the new project. But they both provided me with immediate support, friendship, and guidance. This was so vital to my confidence and success. Who could have known that this new relationship would turn in to a lifetime friendship. Cheryl, you were something else. Your smile and sense of humor brightened the world. You will be missed. Love and prayers to Max and family.*
