“ Chester and I grew up together and we often sat on the back porch in the shade waiting for the baseball game on the radio. God's blessings the family and may he give you peace.

“ Heard the news too late to come. My sincere condolence to the family. Pumkin and my sister Dorothy were good friends when they were young. And Chester Ray threw the fastest baseball I have ever seen. That was an awesome Baseball team with him pitching.

“ Lela and Family,

Sorry to hear about your loss. As you know Chester was a dear friend of the Williams family and will be missed greatly. I know that this is a sad time, but life does and must go on. Sorry we couldn't make it to Frost at this time. Take care.
