“ Chris was devoted, loyal, respected and loved. She was a very significant person in the initial foundation and the evolution of this regional medical facility over her extended service. She was a role model and a reflection of the many, many employees of Medical Arts Clinic. All of us who knew Chris grieve her passing.

“ Chris was a very special person. I met her at Heritage Oaks when Erwin, her husband was there. I saw the care she gave to her husband and all the little things she tended to for him. I wish I had known her longer.
