“ *Chris and I grew up together. Though we haven't seen each other in years we still spoke often through social media. He will be missed*

“ *Man, Chris you made my teenage years better years. We laughed we fist we kissed we smoked we kissed we did all kinds of crazy things that teenagers do, and we remain friends throughout our entire lifetime. I miss our talks on the phone, I'll miss all the funny crazy things that you've said. You always knew how to make me laugh. Give Dean a hug for me because I know he was waiting on you to get there. To all of Chris's family, my prayers are with you all. I know he will truly be missed, but just know that one day you too will see him again.*

*I love you Chris Jones rest in peace love Paula K Dechaume*
