

Christopher West

September 23, 1978 - March 12, 2023

There is so much you can say about Chris West but to start he is a father, a grandpa or better known as pawpaw, a best friend. He was generous, caring and the most understanding nonjudgmental person you will ever meet. Anytime someone needed help whether it was financially, physically, or mentally he was there. He was the most childlike manly man you could ever wish to have in your life. If you really knew Chris, you know exactly what I'm talking about. He came up with the most random fun things to do in a time of boredom. He enjoyed having a bonfire, grilling, swimming in his pool with his ducky float, and fishing, but most importantly he enjoyed spending time with family and friends. He will forever be missed and loved by so many people. He was the father to Anisa West and Lanee Gooch, bonus father to Nathaniel Medford, Michael Gooch, Alex Ortega, Boyfriend to Amanda Recksiek, and Paw Paw to Emberly Gooch, Haisley Gooch, and Hazlynn Medford.
