“ *Cindy it came as such a shock to here of your passing! Thank you for always being someone to talk to and for giving my son his first job! He really loved you and always felt like he had the coolest boss out there! You will be missed by so many but we all know you have your angel wings and are smiling from above. Go hang out with my sister, give her big hugs for us and talk it up! Rest In Peace! My thoughts and prayers go out to all her family and all those that have been touched by this beautiful soul!*
