“ *William Lee and Family--Just picked up the Recorder and read where your dad had passed. So sorry to hear about it, but the life he lived in my mind,fit him so well. He was a cattleman through and through. Was remembering hanging with him and you numerous times at your house and in Buffalo at the sale. Some great, great times.Be well!*

“ Your father has left behind a thousand moments that will live in your heart forever... Please know, at this difficult time, that you are in so many thoughts and prayers. Remember, God will take care of you and will give you rainbows after the storms. May you always be in harmony with the beauty and wonders of Gods world, and may His peace surround you at this difficult time. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5
