“ D'Ann you don't know me, but I went to high school with Clay here in Coriscana. We had several classes together and I just loved him. I considered him one of my best friends. After he left for the military I didn't see him much, but I missed him dearly. I went to see him this morning and I was just flooded with wonderful memories. The only comfort I can offer you is this... The flowers and the tributes I have read on line to Clay speaks volumes, it really shows what a special person he is. I will keep you and your family in my prayers.

“ D'Ann and family: My thoughts and prayers are with you during this time of such great loss! I knew Clay from Kindergarten all the way through high school. In fact, my fondest memories are from the 1st and 2nd grade when he would walk my sister and I home from school to protect us from a school "bully". He was my first VERY YOUNG crush and the first boy to ever kiss me on the cheek, so he'll always have a special place in my heart. The crush faded in elem. school, but our friendship lasted through H.S. (in band together as well). Unfortunately, I never spoke with him after graduation, but I've always thought he'd grow up to be such a wonderful man, husband, and father. Again, I'm so sorry for your loss and will keep you in my prayers, and may God comfort you all during this difficult time. - Carol Hartnett

“ I transferred to Grand Prairie High School our Sophomore year and Clay was one of the first people I met. I have a photo album full of pictures of him and just last Thursday night I was looking through the album to get ready for a presentation piece for my 40th Birthday Party.

I have many fond memories of Clay. After he moved to Corsicana, we missed him so much that we drove down there one weekend to see him. As time passed we all lost touch but I will never forget his smiling face or his funny laugh. He will be dearly missed.

*My thoughts and prayers are with you all.
God Bless.*

“ The family will probably not really remember me but I had some tremendous times with Clay growing up. Ausitn Elementary , Adams Jr High and GPHS. The Wilson twins lived next door to yall and their mom worked for my Dad, Morris Holmes. I would get togehter with Clay quite often and many times got in trouble together. I always remember the scanner in the house to listen to the police and his Dad is my first memory of ever knowing a policeman. We were on the track team and pole vaulted, if you can call it that in Jr. High. I dont think either Clay or I ever did very well in that but we had a good time just going to the meets and horsing around on the mats. I lost contact with him after he left Grand Prairie High but will always remember him. I pray for God to Bless each of you as you deal with this loss. Sincerely,
Marty

“ Our thoughts and prayers are with all of you. Denver and Martha are very special people. Kelly, you and Clay gave us, including our daughter, Wendy, a lot of joy in the years that George worked with Denver in Grand Prairie. Even though George was a Reserve, Denver always treated him as an equal.

Please give your Dad a hug from us and we love all of you.

“ A friend of mine who lives in Corsicana was asking me if I knew a Clay Carrington and he told me about Clay's passing in the obit in the Corsicana paper. I was very shocked and saddened by this! My father was Joe King of the GPPD - small world, huh?? My family will keep yours in our prayers for your loss. I'm 39, too, and that is way too young to be leaving this earth! Just be comforted to know that everything that happens - big and small - fits into God's plan for us here at earth. We can't question why some things happen like they do - but know that one day we will all be shown exactly why God allowed certain things to happen. It's all a part of a much greater plan!

We will be praying for God's comfort for your family.
