“ Allen will be dearly missed! I do have to say that out of all my years of cutting hair, he was the only one that had me cut the bottom, and leave the top that fit under his cap long.--(that way Ann, you thought he had a haircut). He always said "I don't need a haircut, but it'll make her happy." I will miss his sense of humor, the smirk when he smiled, and the twinkle in his eye when he spoke. May he rest in peace. It is a sad day.
