“ *I am still trying to wrap my head around the loss of such beautiful souls. Although we haven't been as close in the last few years Sister Mimms was one of my biggest cheerleaders when I was in nursing school and refused to let me give in when I thought I couldn't make it. She was such an inspiration to me and always had words of encouragement at just the right moments. She will be greatly missed by many. My thoughts and prayers are with all that knew and loved Connie.*
