“ *Kevin and I were very sad to hear about your mother. She was a very sweet little lady. We are sorry you had to go through such sad times, but we know you are Christians. That alone will carry one thru anything.*

God be with you always.

“ Our grandmother will be missed greatly. She was and inspirational little lady loved by many and anyone she came in contact with. I felt that our mom was still here just knowing that she still existed. There is a loss that will not be filled in my heart, for little did I know her and the time I spent with her meant so much to me that made up for the lost time of sharing our lives with her. May her soul rest in peace and may she be rejoicing in the presence of our love ones in heaven. Love you from the bottom of my heart. your granddaughter.

“ There will come a day when the tears of sorrow will softly flow into tears of remembrance...and your heart will begin healing itself...and grieving will be interrupted by episodes of joy...and you will hear the whisper of hope. There will come a day when you will welcome the tears of remembrance...as a sun shower of the soul...a turning of the tide...a promise of peace. There will come a day when you will...risk loving...go on believing...and treasure the tears of remembrance. All those sleeping in their graves will wake up and sing for joy. As the sparkling dew refreshes the earth, so the Lord will revive those who have long been dead."-Isa. 26:19.

“ Cousins,
We sincerely feel your pain in the loss of your mother, Tia Chenchu.

*We will always remember Tia Chenchu. A beautiful person with a big heart. Tia Chenchu always made us feel welcomed and was always such a pleasant person to be around. Yes, they were only a few times, yet they were great memories we will always remember and treasure. We were honored to have had the opportunity to meet and enjoy her company. Hope to see you soon.

“ *Cresencia (Grandma) was one of the sweetest elderly people I have ever had the privilege of knowing, she is one of the tallest 5ft people in Navarro county, although small in stature she was a giant with her family which she loved. She had a heart for life and was an influence to all who knew her. She was a treasure on earth but a trophy for heaven.*

“ *Que Dios te reciba en sus manos y te de el eterno descanso que buscas.*

Que los hijos que dejas atras sigan tus enseñanzas que dejas de recuerdos para ellos.

Que Dios los bendiga a cada uno de tus hijo/hijas y les de todas las fuerzas del mundo para resignarse a tu eterno descanso.
