“ *D.T. is my next door neighbor, I always enjoyed talking to him over our fence line. We would talk like 5 minutes to an hour and a half about any or everything under the sun. Listening to his old stories from back when, and I learned a lot from his talks. Also, D T was / IS a fixture in this neighborhood. I will miss our talks from the fence lines.*

“ *I will always fondly remember Mr. and Mrs. Gonzales' friendliness and kindness toward my family while we were Westminster Presbyterian Church families during my youth. When I reflect on those days at Westminster, one of the many good memories I have are visiting with Mr. and Mrs. Gonzales while sitting in our regular pew seats each Sunday morning before service started. My thoughts and prayers are with the whole Gonzales family.*

"Lores" was a very special person in the ALDAMA family. He was a wonderful person in the Lord. He and his wife Beatrice always had fun with the children! The kids loved them as well! We will miss "Lores". May God bless his family. He will always be remembered as being a nice and helpful person.

I have never known a finer individual in my entire life. For 42 years, I was blessed to be able to call him my Friend. Now, the Angels share that same blessing.
