“ *Daisy was the sweetest lady ever. When we started going to church at Church in the Park, she was the one that always made me welcome. she gave me a crocthed little angel pin, which by the way I still have and wear. I love it and will always cherish it. And during our meals, I think she loved to eat as much as Brother Hale, so now along with her soul mate, she will be up eating with Bro David.. Love you Miss Daisy and will miss you alot.*

“ I cannot tell you how much I will miss Daisy! She was a beautiful, special lady and I will think about her every day. She passed my office each morning and stopped to say hello, tease, and joke with me. She always knew just how to make my day!It was a privilege knowing and taking care of her. We are all heartbroken, but are certain that she is rejoicing with the angels!

“ I am so sorry to hear about the passing of Miss Daisy. I worked with her and Dewey years ago at Collin St. Bakery and enjoyed every minute of it. They were both so funny. I always enjoyed listening to their stories in the break area. Later I would see her at Heritage Oaks and she still had that same sweet smile and humor she had years ago. I know Dewey is rejoicing to be back with his sweet Daisy.
