“ *Ann,
I was so sorry to hear of Damon's passing. It's been many years since I've last seen you two. But know that I carry many fond memories of the time spent in your home. As a little girl, I couldn't make up my mind whether to hug Damon or run from him! He was such a tease! I spent alot of time hiding behind you! I still can't believe you two didn't tan our hides after almost burning up your back yard!
I'm praying the Lord will comfort you and your family each hour as you go through the loss of such a wonderful man. God Bless You,
Jackie*

“ Ann,

I was sad to hear of your loss because Damon was such a fine human being and kind man.

You use the babysit me and my sister Natalie around 30 years ago. My parents are Mike and Jeanne.

Once during the winter while Ann was babysitting us, Damon brought a rabbit into the house from the freezing temperature. While Damon was holding it and as I was trying to pet it, the rabbit bit my right thumb!!! I can still remember that like it was yesterday and have the scar to show for it.

Funny the little things we remember....

Best regards,

Michael Middleton

“ Dear Ann, Randy, Deborah & Donna,
I was so sorry to learn a couple of months ago that Damon was sick. Joey called last Friday and said he was very sick and not expected to live. You all are in my thoughts and prayers. Just remember God does not bring us to it if we can't get through it. Be strong and keep the faith. You have peace in your heart just knowing what a good person he was. Love Bobbie Nell
