“ Thank You,
We met years ago and I would like to thank you. Your daughter Danese is the most amazing woman that I have had the pleasure of meeting. Her children are incredible and I am lucky to be able to spend time with them, Know that they are safe, and will need for nothing... Without you there would have been no Danese, So Rest In Peace Mr. Harris and know that she is in grateful hands.

“ Thank you so much for being the best dad in the world. As hard as the last year has been, I wouldn't trade it for anything. You have also been the best Grand daddy to the boys. Hunter said you probably have the puffiest cloud to sleep on in Heaven. Hanson said to be sure Patches gets fed. We love you and will miss you.

“ Dear Dan,
I'm so glad I was able to see and talk with you that short time in the hospital. I could tell you were thinking about Sonny when he died. You asked me how I was getting along and I told you, "I'm doing better." We are all so very sorry you had to go so soon. Doesn't seem like a very long time to live on this earth but God knew you had fulfilled everything you needed to do on this earth. Your family will all miss you but not to worry, we will all be there at their side whenever they need us. God Bless and keep you! Stay close for a while until we all meet again. Love, Pam

“ Dan was the love of my life. He gave me two wonderful sons and two wonderful daughters. They in turn gave me my awesome grand children and my on little Great granddaughter. I love you all so much. Thank you for always being at my back and supporting us in our worst moments. I am so glad you were there at the end. I know Dan knew you were there and it had to have made the passing easier. I am excited about my new life but I will miss him something awful. I know we will see him again. God has promised us that. Mom
