“DAD, I'm still trying to wrap my head around you no longer a phone call away. I hope I made you proud at some time, I want you to know I have learned so much from you. I hope I can be half as good of a father as you were. You go rest easy DAD keep an eye on us.

*if the sun should rise and find your eyes, filled with tears for me.
I wish so much you wouldn't cry,
the way you did today,
while thinking of the many things
we didn't get to say.
I know how much you love me,
as much as I love you,
and each time you think of me,
I know you'll miss me too.*
