“ We are so sorry for your loss. Dariel was a wonderful man and he brought many hours of fun to our children. Jennifer and Jeff still talk about him taking them turtle fishing. Please know that you are in our thoughts and prayers. I do smile when I think of the girls faces when they saw him get to heaven!! What a reunion they are all having.
We love you.

“ I just "happened" to see this obituary when I was looking for another one. My family is from Brazos/Grimes county, and we might be related because we spell our name the same. I am sorry for your loss, and I will try to find some of you and lets get the family tree going.
