“ Dear Aunt Darla,
You will always be in my heart, you fought a courageous battle and I am so glad there is no more pain.
You lived a Christian example and witnessed how life has many chapters and we can always trust God's way during each of them, even if we don't understand.
Enjoy your beautiful reunion celebration in Heaven with all the family and we will one day see you again!
I will miss your smile and hugs and your pies at Christmas dinner.
Love you, Karen and Chris Snow

“*Darla was my nurse for 9 years at Medical Arts Clinic. In 31 years of practice I have never had better nurse. She was bright, highly adaptable, extremely hard working, and gentle. Patients loved her because they knew she cared and was sincere. She figured out how to tolerate and manage me. Words are never enough to say thank you for someone like Darla. I thank God she was a part of my life, and the lives of our patients.*

“ *A precious soul left this earth on Feb. 6. The loss is ours; the gain is hers as she was welcomed by our Savior. My husband and I began visiting Mildred Baptist Church in 2017, and Darla always made us feel welcomed and loved. Her sincerity and warmth was one of the reasons we joined this wonderful church. I felt an instant connection to her as my sister in Christ and so looked forward to visiting with Darrell and her each Sunday morning. She set an example for all of us in the courage and strength shown throughout her illness. My greatest sympathy to Darrell and your family. Your love for Darla was beautiful. We are praying for you, Dean and Joni Hollingsworth*
