“ *Darla and I were great friends. She was a strong personality-but so am I. We gardened, shopped and ate out as often as we could. She loved shrimp!! She loved Josh and Kara so much. I would help her catalog their school papers they shared with her. I moved away, but she was always in my prayers. I love you Darla. Walk and jump for joy in our saviors presents.*

“ *So sorry for your loss. Good memories of boat rides and skiing on Lake Murvaul in Carthage. We had lakehouses two doors down from each other.*
