“ *My very BEST FRIEND ever! We shared so many fun times, raising kids together, enjoying kid and adult parties together. We laughed together, cried together, happy for each other and felt each other's pain. We clung together as we both grieved the loss of our sons. We spent many hours decorating cakes, eating frosting and drinking coffee until we were almost sick. I will miss her forever 💔💔💔. I love you, my friend. Jan Perry*

“ *I loved Darlyene kindness to all and the love she shared and showed for family. The cutest memory of her was her fear of cotton balls...well the sound of them when you rub a cotton ball between your fingers. It was hilarious but it made you like and love Darlyene for her quirkiness even more. You will be missed. Jennifer Clark-Picchi*
