“ *Daun ran Drane Intermediate with total efficiency through all the many different administrative changes during my 13 years on staff there. She was missed when she retired and will be missed in Corsicana by so many of us as we remember the good days and times we had together. I will always be thankful that when I called her to request time off for my dad's funeral, she advised me to take the day after off, too. She was right, as always.*

Wish I could be there today, but I'm out-of-town on assignment. My mind and heart is with you, Tom, and all the many of us former Drane staff members who will so miss Daun.

“ *I worked with Daun for ten years at Drane. She was so caring and spoke her mind with everyone! As Lana mentioned earlier, Daun ran Drane. I will miss the dinners with our great group of ladies. Daun and I would take turns picking each other up. Heaven gained a wonderful angel!*

“ I went to school with Tom and Daun. In fact we were in the same graduating class and I remember the Monday they came back to school and we all quickly learned that they had gotten married. That was so awesome. I have followed some of life activities through FB, etc and was aware of the battle that they had fought. Their "light shown" during their trials just like their lives "shown" during their high school years. My thoughts and prayers are with Tom and the family. Daun as I remember was always a sweet and pretty lady and thank God she now has a "new body" free from all pain. Tom one day you and your sweetheart will be reunited, never to be separated again.
