“ Dear Dawn and Family,
There are no words to say how sorry we are for your loss. David has been a friend of ours since High School, I would visit with him at work. We rode motorcyles with him some this past year. I don't know why things like this happens, as they always say it was for a reason. God only takes the best. Here is a small poem I love.

Memories

*I feel a warmth around me
like your presence is so near,
And I close my eyes to visualize
your face when you were here,
I endure the times we spent together
and they are locked inside my heart,
For as long as I have those memories
we will never be apart,
Even though we cannot speak no more
my voice is always there,
Because every night before I sleep
I have you in my prayer.*

God Bless You All...

“ Dear Dawn, Sadie, Jonah and family-

I am truly heart broken to learn of David's passing and want to extend to you my most sincere condolences.

David and I shared a friendship dating back about 20 years that began from the appraisal and brokerage business, but went far beyond that as we shared similar values of faith, family and love of country. David was a fine and honorable man who I am proud to call friend and am thankful for the times we had together. I know David loved you all dearly and although I didn't have the opportunity to know you all as well, I feel like I do because David kept me posted about Sadie in dental hygienist school and Jonah finishing up the out-of state school on Harley's.

Words are so inadequate at a time like this, but please take comfort in knowing your husband, father, son and brother always conducted himself in a manner in which you can all be proud. He was honest and solid. The kind of person that anyone could put their trust into and I did on many occasions. While David's shortened time on this earth is difficult to understand, you should know his contributions and influence will be remembered for years. Texas is a better state because of David E. Coley. I will miss my friend.

Dawn, Sadie and Jonah, if I can ever help you in any way, please do not hesitate to call on me.

“ Dawn, Sadie and Jonah, (Howard and Joyce)

Dawn, Ellen was kind enough to let me know about this unbelievable turn of events, and I, as well as everyone I am sure, remain in shock. What a wonderful and kind heart your David had, and how he loved his sweet family. He was so proud of all of you. Your family always inspired me. It seemed the mutual love, support and respect was abundant, as well as fun. Always benevolent, all of you. You are not a passive family, you act on your beliefs for the betterment of your faith, family, community, country...what a legacy. Since I moved, I have occasionally run into David, and he always graciously offers to help with Mother if I need anything, since I am long distance. A man, actually offering? It was genuine, and I knew it.

As I told Ellen, my heart is in Corsicana, and the people I love are there. I love you all, and please know that you are in my prayers as you move through this heartbreaking experience.

“ Dawn, Sadie & Jonah - David was not only our best friend, but you all are family to us. To describe how he will be missed cannot be expressed in words. Not a day would pass without he and Chuck talking about something. He loved life, his family, his friends, and God. May God bless you all and always, always know we are here for you.

“ Even though it has been many years since I have seen David, I remember his kind smile, which he seemed to do all the time, and the twinkle in his eye! May God wrap you in his arms and give you comfort and peace, now and in the days ahead.

“ He will always be remembered as you share the stories and the memories of how he lived his life and how very much he meant, may you find comfort...And, throughout this difficult time, may you also know the deep sympathy and concern that is felt for you and all your family. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5

“ David was a great guy and will always be remembered as such. My prayers go out to Dawn and the rest of his family. I only met David a yr or so ago, but feel like I've known hom much longer. We shared a passion for motorcycles, and loved to swap stories.

“ I worked with David through the Texas Association of Realtors. David was a great man - always smiling - always ready to help - a credit to our industry. Our thoughts and prayers are with your family.
