“ *Unfortunately I just heard about this too, and although it breaks my heart to hear I know David's in a better place now. He was always a wonderful friend, and he will be sorely missed, but I Take comfort in knowing that in his short time with us, he lived his life to the fullest. I miss you man*

“ *I just found out about this. I spent a lot of time with David. His MS and diabetes never seemed to bother him. I took him many places and every place we went he enjoyed himself. He was a strong willed person. I'm at peace knowing David isn't plagued with health problems. Thank you David for the time we shared. I'll miss you buddy.*
