“ *My prayers go out to David's family. I handled David & Phyllis's insurance for many years at Lynn Cooper Insurance. We all got to know them so well, that they felt more like family than customers. They were two of the most precious people I ever met. I loved them both dearly. May God bless and guide the family in the days to come.*

*Love and Prayers,

“ David and family, my deepest sympathies are with you all during this difficult time. Please know that the family is in my prayers. David was such a great man and I had the pleasure of working with David at City Electric for 16 years. David had taught me so much which, I will cherish it all for the rest of my life. David will be truly missed by myself and many others. He is now with Phyllis and his son living the eternal life.
