“ *I remember when David and his family moved to Corsicana. David would come camp out in my backyard. He had built an A.M. radio from a kit. Had fun back then. RIP my friend.*

“ I’ve known David since I was a child. I was so impressed with how he could play his trumpet that I decided that I would learn how to play one too. We have surely lost a gentle soul. May he RIP in God’s loving arms. No more suffering. His family and friends are in my prayers.

“ I remember the Bible study we had as kids at the Owen’s home and the fun and fellowship we shared growing up in the North Beaton Church of Christ. David had a gift in leading us in song worship. I always thought of him as a good friend and brother and I take comfort in knowing we’ll see him again.

“ At last, you are finally Heaven bound in the arms of Our Lord Jesus! I never saw you as anything but precious in my heart. I also know everything and everyone is perfect in Heaven. In my eyes, I always saw you that way, kicking rocks with two feet and dancing with two legs. I loved being your little sister, but I loved being your big sister when you needed me. I loved how many times you told me you loved me and you gave the best hugs. I loved giving you smoochie kisses every day just to tickle your face or ear. We talked a lot. I hear you laugh even now. I am so thankful for the family God chose for me. I would never want to be anywhere else. I am rejoicing that your struggles are relieved now and you can finally rest peacefully without pain. To imagine your spirit flying high and effortlessly in the wind. It brings calm and peace to my heart. As I laid my ear to your chest and felt your pulse fade in my hand, I knew you waited a lifetime ready to go to your new home on high. I didn't want you to go and I will miss you. I will always love you and never forget you. As everyday I say, "I love you my Bubba. I will see you in a little while." Love, Barbara
