“ I remember this pic baby when you cried all day cause you didn't want your hair braided and I had to buy you some french fries and a slush
And then you went and took pictures and that smile right there was because I was making crazy faces at you just to get you to smile.
Daddy loves you so much baby

Davius, I loved you & still do as my own! I don't like the word step! You were my youngest Son's reason to stay up late at night watching you play the game while he ate sweets!!! We will miss you so much, but knowing that if we live a life that pleases God, We will see you again!!!
