“ *Dean was such a fine Christian man. He and his sons built several houses for our family. We live in Ennis, and Dean helped us build our first home back in the 80's, after we first married. I'll never forget how kind he was in helping us trim costs so that we could afford a new home. He welcomed us into his home to sit down with us and teach us the ins and outs of home building. His wife taught me to make tea in the microwave while we were there. I still make it like she taught me 30 plus years later. We still live in that home he built and the inside burned a couple of years ago. The people that rebuilt for us commented on how all the outside was perfectly built, and whomever did it was the best! His word was his rock and he never strayed from it!*

Dean will certainly be missed! Our thoughts and prayers are with all of Dean's family.

Sincerely, Mike and Sandy Ball.

“Blessed with a wealth of common sense, good judgment and honesty as the day is long, Dean was a model of Christian faith. First dealt with Dean during mid-80s ranch remodeling project and quickly appreciated his old school approach as we connected with him in so many ways, leaving no doubt that his word was his bond. To this day, my wife Jo and I quote Dean to friends in appreciation of his high standards and character. His acorns Dennis and Marcus did not fall far from the tree. Our deepest sympathies to his entire family. Dean's life should be celebrated. Randy & Jo Howard

“Joyce. I have said on many occasions as I recall my time knowing your family, that you and Dean were the best example of parenting I had or have ever encountered in my life and ministry. May Holy Spirit bring comfort and peace to you and all the family. In Christ, Bruce

“ Our hearts are saddened at the passing of such a sweet spirit. Our hearts are joyed knowing he IS with his Savior. We convey our deepest sympathy, love and prayers for the entire Melton family. I worked for Bro. Dean in the summer of '80. A true selfless, caring individual with a kind heart towards so many. Never heard an ill word from him about anything or anyone. Bro. Dean was always a constant, mild mannered man. We attended Navarro Mills Baptist Church together when I was living at home. Bro. Dean Melton is someone you tell your grandkids about as an example of kindness, a giving nature and a man who exemplified the love of God. Again, a sweet sweet spirit. With all our love!
