“ *Mrs. Debbie was a very loving, caring lady. We adopted a son that had a severe case of ADHD and inspite of her ailments, she continually cared for him. On many occasions he would be in her lap with her feeding him cheetos. She had a very sweet spirit and will be truly missed. Just remember to be absent from the body is to be present with the Lord. Debbie, Rest in peace and to the family, God give you grace during this time of bereavement.*

“ My heart is very heavy now with the loss of one of my dearest friends. I loved her like a sister. We had the kind of friendship where we could go for weeks without talking and then pick up right where we left off. We shared many good times together and I miss her very much. I pray that God brings peace to you, Rickey, Alicia, Dee, Mark, and Landon. I know she will be watching over you for the rest of your days.

“ My thoughts & prayers are with each of you today & in the difficult days ahead. May the warm memories of the past bring you much comfort in the days ahead. Debbie was a very dear & sweet lady & will be missed by many. She always had a smile on her face no matter what struggles she was going through. She was truly a delight to work with at Medical Arts Clinic several years ago.

“ I have known Debbie and Ricky for a long time. The best times were at Little Red where Beth loved Miss Debbie. No matter what was going on with Debbie's life, she always had a smile and a hug. We will miss you so much. You had a great influence on Beth and I thank you for it. My prayers to the family.

“ Today we will go and say good-bye to a dear friend. As I picked up the phone this morning on my way into the office, I realized my friend is gone and would not be answering anymore. She had many trials and struggles, but they are finally over. Through her pain and sleepless nights she would somehow produce a smile and a laugh. My friend will be greatly missed by not only my son and I, but by many many more.

“ *I just couldn't believe it when I opened the newspaper yesterday. Debbie was such a special person. We worked together @ Medical Arts Clinc for a few years until she got really sick. Even when she didn't feel good, she could always make me feel better when I was having a bad day. She will greatly be missed. My thoughts and prayers are with the family in this time of need. She fought a good fight and now she's won. There will be no more suffering for her.*

“ *Ricky, Alicia, and Dee,*

Gracie and I got to talking about Mrs. Debbie Saturday, and Gracie said, "When I was sad and crying, Mrs. Debbie always let me come to the office and help her. She always made me feel better, and I love her." I know Debbie went out of her way to do this for every child that had a rough day or just needed a hug. We will miss her so much. We will keep your family in our prayers through this tough time. God Bless.

“ Debbie was one of the most important early influences in my life. She watched over me for the first several years of my life and I have many fond memories with her, Ricky, Alicia, and Dee. Y'all were there for us in some of the hardest times early on. Debbie was like a second mom to me, she was a great woman and will be greatly missed. I only regret I didn't get to spend more time with her over the last several years. I love you all very much.

“ *Debbie and I first met at Children's Medical Center in Dallas. We met in the ICU Family Waiting Room because both of our daughters were in ICU at the same time. When Caylen and I moved to Corsicana in '92, Debbie was the one who helped me get my bearings. She and I had a special bond. Not only because of Caylen and Danielle, but just because. Our daughters cheered together, shared B-day parties, and I also came to know Ricky, Alisha, and the whole family.*

Debbie was a wonderful example of how you can have a good, full life inspite of illness. I know that she is going to be greatly missed by all. Please know that all of you are in our thoughts and prayers. Ricky, Alisha, and Danielle...God be with you, and keep you at this most difficult time.

Love to all, Cheriea

“ *What a wonderful woman we have lost. I only new her from the day care where my granddaughter went for several years. I would come in to pick up Delayna and she would be in the office with Mrs.Debbie. Sometimes she was in trouble but alot of times Debbie would just have her in there with her because she said she liked having her. Delayna is 8 now but she still remembers Mrs. Debbie. God Bless the family our prayers are with you at this time. Mona Gorden*
